WELCOME TO

DINO DAY

2026

The dinosaurs are **HERE!**

Barrow BID are excited to see these prehistoric creatures back in action in Barrow, and this time with some new little robo-baby faces (see the new Baby Dino arena!), but never fear - all the classic Dino Day features are returning too, like Dr. Bones' Hatchery and the Ranger Training.

All of this not enough for you? Need to see all the dinosaurs all at the **SAME TIME**? Well, make sure you're at the Town Hall at **15:40** to see the **Grand Finale**, where all the dinosaurs will be parading around all at once!

Dino Day is brought to you by Barrow BID, a community of local town centre businesses and organisations. We organise events like these in Barrow to help bring people into the town to give said businesses and organisations a well-deserved boost!

So while you're here today, make the most of it - shop local! Grab a bite to eat! Take in everything Barrow has to offer!
And most importantly, ENJOY!

Volunteer with Barrow BID

Barrow is full of people who want to see the town thrive, and we'd love you to be part of the effort...

We're looking for volunteers to help with a few great community projects, including:

-  Supporting local town centre events
-  Helping out on our community allotment (Grow in Furness)
-  Pitching in with small projects that make Barrow brighter and more welcoming, including community litter picks and planting days

You don't need any special skills – just a bit of time, enthusiasm, and a willingness to get involved. Whether you can help occasionally or more regularly, every bit makes a difference!

-  Meet new people
-  Spend time outdoors
-  Support the town we all care about

TO VOLUNTEER: PLEASE SCAN THE QR CODE

For more information, please contact: Matt Blackburn | volunteer@barrowbid.co.uk
